Publications

International Journal

1. Sharma, D.S., Patel, N.P, “Moment Distribution around Circular/ Elliptical/ Triangular Holes in Infinite Composite Plate” Mechanics of Advanced Materials and Structures (Accepted for publication) (Taylor and Francis)

15. Sharma, D.S., “Moment distribution around polygonal hole in laminated composite plate”, Engineering Structures, (Communicated)

International Conference

40. Ukadgaonker, V. G., Sharma, D. S, “Stress analysis of infinite orthotropic plate with cracks emanating from circular hole applied to internal pressure”, Proc. of *International conference on Fascinating Advancement in Mechanical Engineering (FAME-08)*, 11-

National Conference
