

FJC participated in the **“World house at Morehouse” web cast based International Lecture** (September 2008) , hosted by the Morehouse College in Atlanta (custodian of Dr. Martin Luther King’s memorabilia) in which along with MSU, two Universities based in USA and Kenya jointly participated and shared ideas on Dr. King’s ideologies to commemorate his 40th death anniversary. Teachers from FJC shared views on the similarities in the thought ways of Dr. King, and the Father of our nation, Mahatma Gandhi. Following this lecture, a few months later, the director of the Morehouse College, Dr. Walter Fluker, visited our department and conducted a workshop for students and teachers on **“Ethical Leadership”**.
