

Prof. Rameshwari Pandya, Former Chair Person of Child Rights Commission, Government of Gujarat. She has obtained her B.Sc., B.Ed. from Lady Irwin College, New Delhi and M.Sc., M.Ed. and Ph.D. in Home Science from The Maharaja Sayajirao University of Baroda, Vadodara. A recipient of Shrimati Leelaben Shah Gold Medal, Prof. Rameshwari Pandya is currently Head of the Department of Extension and Communication, Faculty of Family and Community Sciences, The M.S. University, Baroda and She has been Coordinating Urban Extension Programmes of the Department and is in charge of “Pragati” the Urban Extension Center and also the Director of Student Welfare of the M. S. University of Baroda, Gujarat. While working with the commission she has set examples in the field to reach out to larger mass and attend to maximum complains in record breaking time span. In her tenure Gujarat was awarded with the fastest Child Tracking system. She also developed a unique interactive system between Police and Social Justice and Administrative departments of all the districts of Gujarat. Her field visits to Child Care institutions and Jails have brought out many areas of intervention and care. Her insight has brought the presence of commission in the eyes of Public, Media and other State commission. Due to her great contribution she also been appointed as member of “Monitoring Right to Education” committee.

Prof. Pandya was not only the member of the Senate but also the member of the Syndicate of the M. S. University of Baroda. Prof. Pandya has sustained track of record of quality teaching, innovation and excellent research contributions in the field of Extension and Communication. She has successfully completed several research

projects funded by various agencies and presently working on a major project entitled “Creating Awareness regarding Water Management at house Hold level using IEC and Dramatization” funded by Department of Science and Technology (DST), Govt. of India, New Delhi. She has published more than 25 books and 160 research papers on a variety of topics in peer-reviewed journals in addition to several technical reports. She has actively participated in many Seminars, Conferences and Workshops at National and International levels and has organised several training programmes. She has travelled different countries like USA, UK, Canada, Dubai and Singapore for professional enrichment and interaction.
