WIFI-REGISTRATION PROCESS FOR STAFF

The screenshot shows the 'WI-FI Registration Module' interface. At the top, there is a green banner with the text 'OTP sent to your Email. OTP valid upto 10 Minutes.' Below this, there are three main sections: 'Wi-Fi Registration', 'Forget Password', and 'Change MAC ID / Device'. The 'Wi-Fi Registration' section has an 'Email ID' field with 'mmshah-cc' and '@msubaroda.ac.in', an 'OTP' field with '570348', and an 'Authenticate' button. The 'Forget Password' section has a 'UserName' field with '@msubaroda.ac.in' and a 'Req. OTP' button. The 'Change MAC ID / Device' section has a 'UserName' field with '@msubaroda.ac.in' and a 'Req. OTP' button. The background of the interface features a faint image of a building.

Kindly enter your password and confirm password.

Enter device Mac address as per below snaps. Click on **Authorize** tab.

The screenshot shows the 'WI-FI Registration Module' interface after the OTP authentication step. A green banner at the top reads 'OTP Authenticated.' The 'Wi-Fi Registration' section now includes a 'Password' field and a 'Confirm Password' field, both with a single dot indicating masked input. Below these are two rows of 'Device MAC Address' fields. The first row, 'Device MAC Address 1', contains six boxes with the values 'c0', 'ee', 'fb', 'd7', '44', and '6a'. The second row, 'Device MAC Address 2', contains six boxes with the value '00'. An 'Authorize' button is located at the bottom of this section. Two blue arrows point from the left towards the 'Password' and 'Device MAC Address 1' fields. The 'Forget Password' and 'Change MAC ID / Device' sections remain the same as in the previous screenshot. The background features the same faint building image.

WIFI-REGISTRATION PROCESS FOR STAFF

The screenshot shows the 'WI-FI Registration Module' interface. At the top, there is a green banner that says 'Successfully Registered.' Below this, there are three main sections:

- Wi-Fi Registration:** Includes an 'Email ID' field with a placeholder '@msubaroda.ac.in' and a 'Request OTP' button.
- Forget Password:** Includes a 'UserName' field with a placeholder '@msubaroda.ac.in' and a 'Req. OTP' button.
- Change MAC ID / Device:** Includes a 'UserName' field with a placeholder '@msubaroda.ac.in' and a 'Req. OTP' button.

The background of the interface features a faint image of a classical building with a dome.

You will see message saying Successfully registered.

Now switch on your Wireless in your mobile and connect msu-wifi SSID.

Automatic login page display as per below screen.

The screenshot shows the automatic login page for 'msu-wifi'. At the top, it displays the IP address '172.26.0.200' and the network name 'msu-wifi'. Below this, there are navigation arrows, a 'Log In' button, and a 'Cancel' link. The page features the logo of 'THE MAHARAJA SAYAJIRAO UNIVERSITY OF BARODA' with the motto 'सत्यं शिवं सुन्दरम्'. The instructions state: 'Please login to the network using your username and password.' There are two input fields: 'Username:' and 'Password:'. A 'Log In' button is located below the password field. At the bottom, there is a note: 'Contact a staff member if you are experiencing difficulty logging in.' and a copyright notice: '© Copyright 2019 Hewlett Packard Enterprise Development LP'.

- Username (email id) & password (which is mentioned at registration time) click on Log in tab.
- You can now access internet.
