

WIFI-REGISTRATION PROCESS FOR STUDENT

Before doing registration, kindly note your device's mac address for registration.

Please follow below steps to get MAC Address from mobile device.

1. Setting>>>About phone>>>Status>>>Wi-Fi mac address
2. Setting>>>Wi-Fi>>>advanced option.

(1) New User Registration:

Click on below link where we get access of portal for registration of student.

<http://office.msubaroda.ac.in/MSUWiFi/WiFi-Registration>

Enter your PRN Number: 20170338***** then click on **Request OTP**.

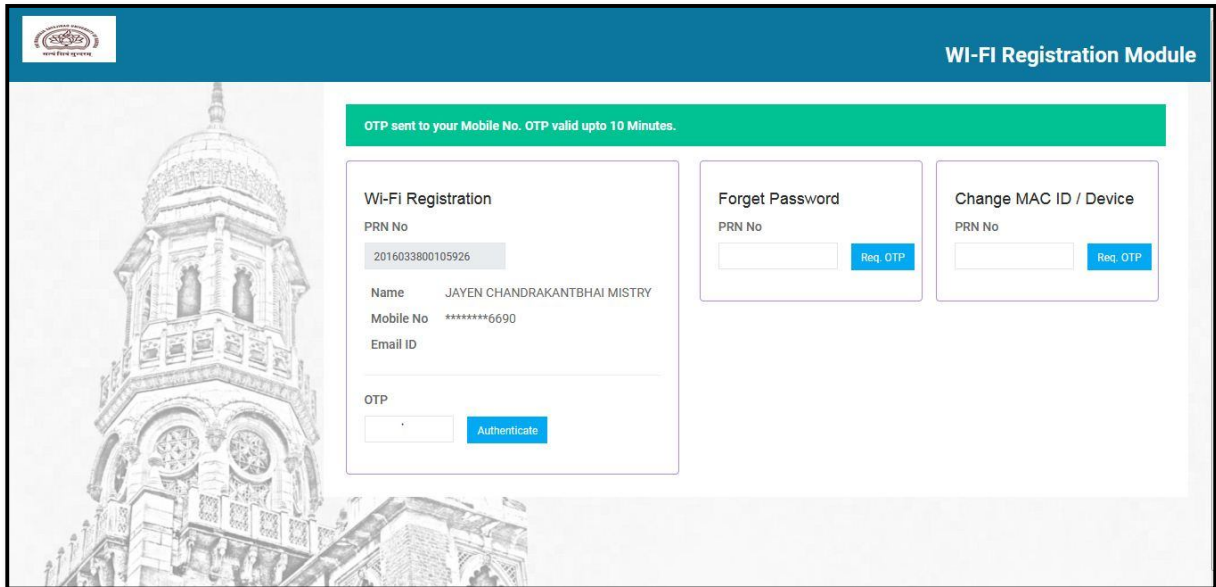

You will receive OTP in your registered mobile number as per MKCL portal.

Enter OTP as per below snapshot. Click on authentication tab.

The screenshot shows the 'Wi-Fi Registration Module' interface. It features a blue header with the MSU logo and the text 'Wi-Fi Registration Module'. The main content area has a background image of a building dome. There are three registration boxes:

- Wi-Fi Registration:** PRN No: 2013033800107535, Request OTP button.
- Forget Password:** PRN No: [input field], Req. OTP button.
- Change MAC ID / Device:** PRN No: [input field], Req. OTP button.

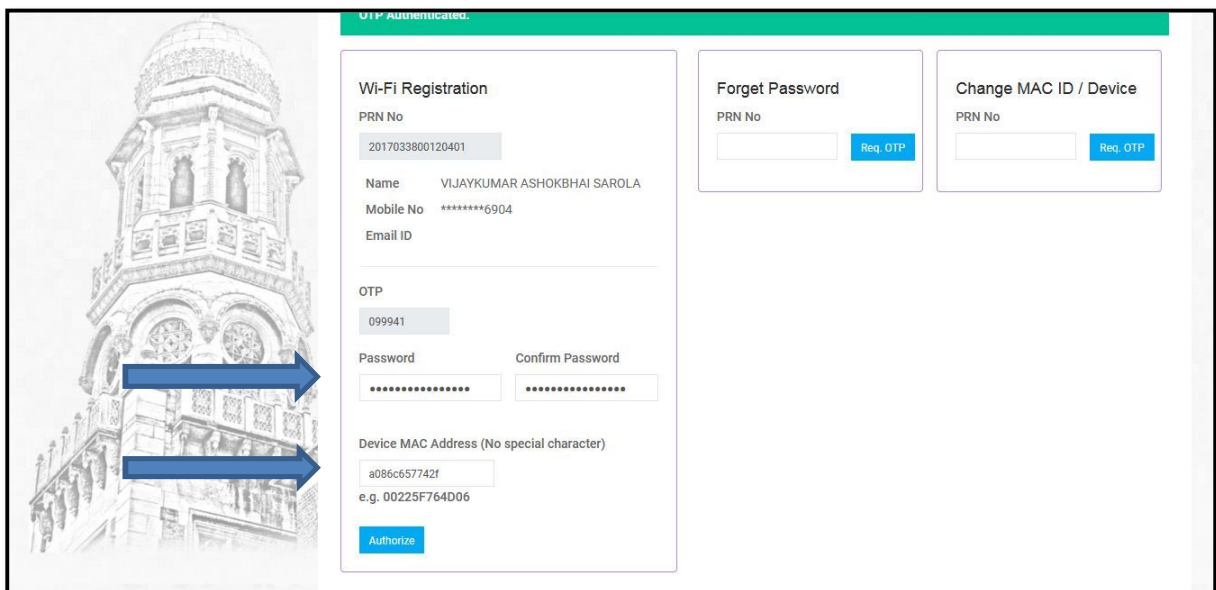

WIFI-REGISTRATION PROCESS FOR STUDENT

The screenshot shows the 'Wi-Fi Registration Module' interface. At the top, there is a green banner that reads 'OTP sent to your Mobile No. OTP valid upto 10 Minutes.' Below this, the 'Wi-Fi Registration' form is displayed. It includes fields for PRN No (2016033800105926), Name (JAYEN CHANDRAKANTBHAI MISTRY), Mobile No (*****6690), and Email ID. An OTP field is also present with an 'Authenticate' button. To the right, there are two buttons: 'Forget Password' and 'Change MAC ID / Device', both with 'Req. OTP' sub-buttons. The background features a faint image of a building dome.

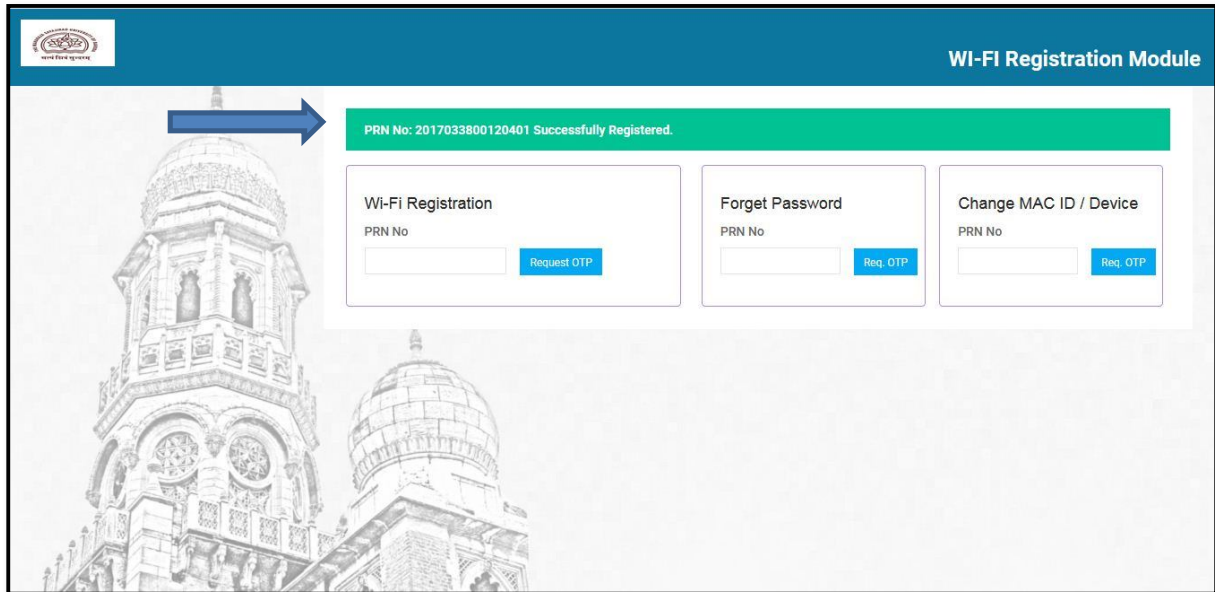

Kindly enter your password and confirm password.

Add device Mac address as per below snaps. Click on **Authorize** tab.

The screenshot shows the 'Wi-Fi Registration Module' interface at the authorization step. A green banner at the top reads 'OTP Authenticated.' The 'Wi-Fi Registration' form now includes fields for PRN No (2017033800120401), Name (VIJAYKUMAR ASHOKBHAI SAROLA), Mobile No (*****6904), and Email ID. Below these, there is an OTP field (099941) and two password fields labeled 'Password' and 'Confirm Password', both containing masked characters. A 'Device MAC Address (No special character)' field is also present, with the example 'a086c657742f' and 'e.g. 00225F764D06'. An 'Authorize' button is located at the bottom of the form. To the right, the 'Forget Password' and 'Change MAC ID / Device' buttons remain. Two blue arrows point from the left towards the Password and Device MAC Address fields. The background features a faint image of a building dome.
